A. LAYOUT AND FLOOR PLANS OF UNITS. Each Unit has the number of bedrooms ("Bed") and bathrooms ("Bath") noted above. The layouts and floor plans of each Unit are depicted in the Condominium Map. None of the Units contain a basement.

B. APPROXIMATE NET LIVING AREAS. The approximate net living areas of the Units are measured from the interior finished surface of the demising, perimeter walls of the Unit and includes the interior party walls, columns and shafts within the Unit, but excludes areas for shafts, columns, and plumbing walls that are attached to the demising, perimeter walls. All areas are not exact and are approximates based on the floor plans of each type of Unit.

C. COMMON INTEREST. The Common Interest for each of the Units in the Project is calculated based on dividing the approximate net living area of the Unit, as applicable, by the total net area of all the Units in the Project. In order to permit the Common Interest for all Units in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Unit No. 609 was increased by .040%.

D. PARKING STALLS AND STORAGE ROOMS. Each Unit shall have as a Limited Common Element appurtenant thereto, the parking stall(s) designated above. The Condominium Map depicts the location, type and number of parking stalls and storage rooms in the Project. There are twenty (20) guest stalls in the Project, which are Limited Common Elements to Unit No. 609. All parking stalls not otherwise identified above as a Limited Common Element to a specific Unit, shall be Limited Common Elements to Unit No. 609 of the Project. All storage rooms are Limited Common Elements and are identified with "S" on the Condominium Map. Some storage rooms are Limited Common Elements to the Units noted above. All remaining storage rooms shall be Limited Common Elements to Unit No. 609. Developer has the reserved right to re-designate such parking stalls and storage rooms from Unit No. 609 to other Units in the Project as Limited Common Elements appurtenant to specific Units.
